By Dean Smith.Defeats for Manchester City and Liverpool in their last two games were hardly unexpected, but no loss in their four previous luminants in all competitions, including back-to-back victories, renewed the hope of survival on the carow road.kick-off-off. : 00 GMT. FridayTV Channel: Sky Sports Main EventSoucton 1/2 | Draw 16/5 | Norwich 21/4 "I do not think Newcastle is good!" | Football best betsunfortunately for the canaries, they travel to face one of the most accomplished teams in the present, the saints taking the sixth majority of the points of the division in the last eight matches. The vitery price is predictably short and 1/2 is difficult to stand behind even considering your recent performances. The best bet on this luminaire seems to be both teams to mark "" No à € "e à e à e" ~ À "à" e to a superior price, with the most affectionate concentrated in Southampton Keeping Norwich on Bay.Click here to support both teams to mark 'not' with Betthrough CA © associated with football Fun, perhaps because of hasenhâ's preference to press opposition, St Mary's games, in fact, third lower goals per game in the league is season (2.17). The reason For this is arguably the impressive amount of control with which the saints play when at home. Use XG to increase profits in BettingDD football for this fact that Norwich have not been able to find the back of the network in 67 % of its matches outside this season, and it is not difficult to see the saints record a clean sheet here. Nil performs in theory, but most Are 6/5 about Norwich not scoring, multiplying that with a saints wins at a little bigger than 9/4, so the best price of 17/10 (2.7) about that selection does not represent value.Also, by backing either one or neither team to find the back of the net, there is an amount of assurance should either the Canaries produce an impressive defensive display eAAA which they could do after two clean sheets in their last five in all competitions eAAA or Southampton produce a below-par attacking one eAAA the Saints have drawn a blank on five occasions this season.1pt Both Teams to Score eAAAÑoeAAA at 1/1 (BetVictor, Boylesports)Score prediction: Southampton 1-0 Norwich (Sky Bet odds: 6/1)Odds correct at 1700 GMT (22/02/22)More from Sporting LifeWe are committed in our support of safer gambling.
